Community 101

I John 4:7-12

1. Human Beings were made by God who _____
of persons.

“God’s aim in history is the creation of an inclusive community of loving persons with Himself included as it’s primary sustainer and most glorious inhabitant.”
Dallas Willard

2. Human Beings were made for _____
to God and to others.

Dear friends, let us love one another, for love comes from God. Everyone who loves has been born of God and knows God. Whoever does not love does not know God, because God is love. This is how God showed his love among us: He sent his one and only Son into the world that we might live through him. This is love: not that we loved God, but that he loved us and sent his Son as an atoning sacrifice for our sins. Dear friends, since God so loved us, we also ought to love one another. No one has ever seen God; but if we love one another, God lives in us and his love is made complete in us.
